

DANNY V

DJDANNYV.COM

At age 22, Chicago native and radio DJ extraordinaire Danny V has already spun alongside the most prominent acts of the 21st Century. From Usher to the Black Eyed Peas, this Miami Winter Music Conference titleholder is no stranger to the flashing lights. Hosting residencies that span from Chicago's elite hot spots to Playa Del Carmen, Mexico, Danny is on a mission to take his brand across the globe. Playing all that's new, hip and happening—from Dance to Hip Hop—Danny breathes promise into a career destined for greatness.

Intrigued by the life of luxury, Danny embodies exactly that—from every beat to every thread count his sound plays like a memorable dance party along Chicago's Lakefront. Besides his passion for all things music and luxury, Danny is an avid sports enthusiast, who enjoys boating and traveling with an active clientele that places emphasis on table service.

Stay winning.
